

GARRICK CLUB DRESS CODE

NO Jeans/ Trainers or Sneakers in the Club

The below shoes – while some are smart - contravene the Club's dress code, as they are considered to be sports shoes/trainers/sneakers.

Jeans/denim material may not be worn - includes shirts, skirts and jackets

Men should wear a suit-type jacket and a collared shirt – ideally also a tie though this is not essential. The recommendation is for smart-casual business type attire. Women are most welcome to wear trousers, though obviously not jeans.
